Dear Ms. Gore:

On behalf of the United States Environmental Protection Agency (EPA), I am pleased to congratulate you and confirm that the Cook Inlet Housing Authority was selected as one of the entities EPA will begin negotiations with to award a cooperative agreement for a cleanup grant. The Cook Inlet Housing Authority submitted an outstanding grant proposal, and we deeply appreciate the tremendous commitment of time and energy that went into its preparation.

Through the Small Business Liability Relief and Brownfields Revitalization Act of 2002, EPA is working to help states and communities around the country clean up and revitalize brownfield sites. We fully expect that these brownfield projects will provide benefits to the environment and economy of local communities. Susan Morales, your Regional Brownfields Contact, will work closely with the Cook Inlet Housing Authority to negotiate the cooperative agreement prior to the grant award. Please contact Susan Morales at 206-553-7299 or morales.susan@epa.gov.

Again, congratulations on being selected! We look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "David R. Lloyd".
