PERIOD OF PERFORMANCE

The period of performance shall commence upon contract award and shall remain in effect until the successful completion and acceptance of all tasks and deliverables as outlined in the Scope of Services.

BACKGROUND

CIHA is an Alaska regional housing authority established by state statute for the purpose of providing affordable housing opportunities for eligible participants in the Cook Inlet region. The mission of CIHA is, "To create housing opportunities that empower our people and build our community."

CIHA plans to build six (6) single-family homes for sale to moderate-income Alaska Native/American Indian households. One unit will be built in the Coronado Park subdivision in

downtown Eagle River. The Coronado Park units will be townhouse-style condominium and part of an 8-unit project that is filling out one of the few remaining vacant lots in the subdivision. Five (5) additional homes will be built on scattered lots in Anchorage and the Mat-Su Valley. Below is a summary of unit types to be built initially (subject to change based on market conditions):

Coronado Park Townhome - 1 home

Bedrooms: 2 Baths: 2 Garage: 1 car

Approx. square footage: 1499

Location: Eagle River

Single-Family Ranch I – 1 home

Bedrooms: 3 Baths: 2

Garage: 2 car

Approx. square footage: 1855

Location: Palmer

The other new construction single family homes will be constructed on to-be-determined lots in Anchorage, Eagle River, Palmer, and/or Wasilla. The homes will have a minimum of three (3) bedrooms and be similarly sized to the unit above.

Construction completion on the Coronado unit and the first single-family home is expected by July 2026. CIHA hopes to build and sell at a pace of two (2) homes per year until 2028.

EQUAL EMPLOYMENT OPPORTUNITY

Equal Employment Opportunity. The Contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, age, physical handicap, sex, marital status, changes in marital status, pregnancy, or parenthood. The Contractor shall post in conspicuous places, accessible to employees and applicants for employment, at the location of the grant project, notices setting out the provisions of AS 18.80.220.

The Contractor shall state, in all solicitations or advertisements for employees to work on this project, that the Contractor is an equal opportunity employer (EEO) and that all qualified applicants will be considered for employment without regard to race, religion, color, national origin, age, physical handicap, sex, marital status, changes in marital status, pregnancy, or parenthood.

The Contractor shall include the provisions of this EEO article in every subcontract relating to this Contract and shall require the inclusion of these provisions in every agreement entered into by any of its subcontractors, so that those provisions will be binding upon each subcontractor.

CONTRACT TERM

Award of a professional services contract for the specified work will include an initial three (3) year term with an option to extend for two (2) additional one (1) year terms based on available funding, satisfactory performance, agreed upon pricing and mutual consent. This contract shall automatically renew for successive one (1) year terms unless either party provides written notice of its intent not to renew at least thirty (30) days prior to the current term's expiration.

SCOPE OF SERVICES

CIHA would like to engage real estate services on six (6) homeownership units. Ability to identify qualified buyers – Alaska Native/American Indian households at or below eighty percent (80%) area median income – is key, as is closing on units quickly. CIHA will be responsible for conducting final income verification, though agent will be asked to have familiarity with program parameters to recruit potential households that qualify. In addition, CIHA and the agent will work closely with Cook Inlet Lending Center (CILC) to provide financial counseling as well as provide opportunities for downpayment assistance and second mortgage financing.

It is anticipated that the homes will sell at new construction market rates and that secondary financing and additional funding assistance will make these homes affordable for the moderate-income households.

Successful vendors will have a strong understanding of the for-sale real estate market in Anchorage and the Mat-Su Valley and the marketing and sale strategies necessary to secure qualified buyers that meet program requirements. Preference will be given to vendors who are themselves Alaska Native/American Indian while also demonstrating strong connections in the local tribal community. Services to be contracted through this RFP include, but are not limited to:

- Marketing and advertising activities with focus on outreach to potential homebuyers that qualify under program parameters.
- Managing residential real estate purchase and sale agreements on behalf of CIHA, including coordination with seller's agent and title company.
- Assistance identifying remaining lots to complete the six-unit project

Following the successful contract award to the selected real estate agent, CIHA and the agent will enter into a listing agreement.

QUALIFICATIONS AND REQUIREMENTS

Proposals offering real estate services will include the following:

- Narrative of up to two (2) pages with introduction and details of relevant experience, particularly in the Anchorage and Mat-Su real estate markets; connections/relationships within Alaska Native/American Indian tribal communities and experience with tribal housing programs and products; understanding and/or experience working with moderate income buyers; understanding of single-family home product type; minimum targeted sales prices, and estimated pace of sales; outline of approach and marketing strategies to identify qualified buyers; and any challenges you foresee
- Work samples, such as marketing packages, listing examples, and staging videos
- Commission rate and any other fees passed on to seller

PREFERENCE STATEMENT

The work to be performed under this contract is subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). In accordance with 25 U.S.C. 450e(b) and 24 CFR 1000.52, CIHA requires that to the greatest extent feasible; (i) preferences and opportunities for training and employment shall be given to American Indians/Alaska Natives

(AIAN); and (ii) preferences in the award of contracts and subcontracts shall be given to AIAN owned economic enterprises.

The Contractor shall include this Indian Preference Statement, in its entirety, in every subcontract in connection with the awarded contract, and shall, at the direction of CIHA, take appropriate action pursuant to the subcontract upon a finding by the recipient or HUD that the subcontractor has violated 25 U.S.C. 450e(b).5307.

Preference will be given to AIAN, Small-, Minority- and Women-owned businesses. AIAN, Small-Minority- and Women-owned businesses are encouraged to submit proposals.

PREFERENCE FACTOR

AIAN, Small-, Minority- and Women-owned preference in contracting is applicable to this Request for Proposal (RFP) and any contractor/firm/vendor stating a preference must submit a signed HUD 5369-A Certification Form (Attachment A) with their submitted bid to qualify for a preference; ownership must be a minimum of fifty-one percent (51%) and be active in the day- to-day control and operation of the business. CIHA shall reserve fifteen percent (15%) of the total of available rating points for qualified AIAN-owned organizations or economic enterprises and ten percent (10%) for Small-, Minority- and Women-owned businesses.

To the fullest extent permitted by law, Contractor shall release, defend, indemnify and hold CIHA, its subsidiaries, directors, officers, agents, officials, employees and consultants (collectively, "Indemnified Parties") harmless from and against all claims or loss, including without limitation any and all demands, suits, expenses, damages, fines, charges, liens, actions or liability of any nature, kind or character whatsoever, and including without limitation, claims or loss resulting from injury, death, economic loss, violation of statutes, ordinances, constitutions or other laws, rules or regulations, contractual claims, attorneys' fees, costs or expenses or any other kind of loss (collectively, "claims or loss"), related to, resulting from or arising directly or indirectly out of the activities of Contractor, the performance, failure of performance or breach of any term of this Contract by Contractor, or by any person or entity employed by Contractor in the performance of this Contract, regardless of whether such claim or loss is caused in part by Indemnified Parties.
- B. Contractor's responsibility for defense and indemnification extends to and includes any claim or loss alleging acts or omissions by Indemnified Parties that are said to have contributed to the claim or loss. However, Contractor shall not be required to indemnify an Indemnified Party for any claim or loss that results from the sole negligence or willful misconduct of the Indemnified Party.
- C. In any and all claims against the Indemnified Parties by any employee of Contractor, anyone directly employed by Contractor or anyone for whose acts the Contractor may be liable, the indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Contractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

Such policies shall be primary to any policies held by CIHA.
- B. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the Contractor's policy contains higher limits, CIHA shall be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the Manager of Procurement prior to fully executing the Contract, and as a condition of payment, Contractor shall purchase and maintain insurance that will protect it from the claims arising out of its operations under the Contract, whether the operations are by Contractor, or any of its consultants or subcontractors or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable. This includes Employer's Liability Insurance, Comprehensive General Liability Insurance and Automobile Liability Insurance.

GENERAL REQUIREMENTS

The general rules and conditions which follow apply to all proposals issued by CIHA unless otherwise specified.

Request for proposal (RFP) is defined as a request for an offer, by one party to another, of terms and conditions with reference to some work or undertaking.

This document constitutes a request for proposal and is thus a solicitation for responses.

Conversely, this request for proposal is NOT a bid. Moreover, any acceptance of a proposal shall NOT result in a binding contract between CIHA and the offeror but instead will simply enable negotiations to take place which may eventually result in a detailed and refined agreement or contract between the offeror and CIHA.

Subletting of Contract: Offeror shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of CIHA, but in no case shall such consent relieve the offeror from their obligations, or change the terms of the contract.

COMPENSATION AND MANNER OF PAYMENT

Fees for Work

- a) No price increases shall be permitted under this contract unless requested in writing by the Contractor and approved in writing by CIHA. Any such price adjustment shall be subject to mutual agreement between the parties and shall not be effective until documented by a formal written amendment to this contract. CIHA reserves the right to deny any requested price increase.
- b) The Contractor shall be compensated at the agreed-upon commission rate upon the successful closing of each real estate transaction. Payment shall be made directly through the closing process, as documented in the settlement statement. The Contractor is not required to submit invoices for payment.
- c) A copy of the closing statement indicating the commission due shall serve as documentation for payment. CIHA shall not issue payment outside of the closing process

RFP CONDITIONS AND PROVISIONS

If any offeror is in doubt as to the intent or meaning of any part of this RFP, or should CIHA omit anything from this RFP which is necessary to a clear understanding of the work, or should it appear that various instructions are in conflict, the offeror should contact the CIHA Procurement representative listed on the cover page of this document by the deadline for questions.

An evaluation committee will independently evaluate the merit of proposals received in accordance with the evaluation factors defined in the RFP. Failure of the offeror to provide any information requested in the RFP may result in disqualification of the proposal and shall be the responsibility of the offeror. The evaluation process shall be based on a 100-point scale. The proposal that accrues the highest point total shall be recommended for award subject to the best interests of CIHA. Categories have been identified for the evaluation process. Each category shall receive a point value within the specified range based on how well the proposal meets or exceeds CIHA's requirements. The following table lists the maximum points associated with each category.

Each proposal submitted stands alone and will be evaluated on its own merits in terms of meeting CIHA's requirements and terms and conditions, pricing, and overall responsiveness to the RFP.

Contractor submission of a proposal implies contractor acceptance of the evaluation technique and contractor recognition that some subjective judgments shall be made by CIHA during assignment of points.

CIHA reserves the right to request a presentation from any contractor who submitted a proposal prior to selection. At the sole discretion of CIHA, finalists for consideration of award may be required to provide a software demonstration and oral presentation to the evaluation committee. The oral presentation may be considered in the evaluation of the offeror's proposal, and overall scores under Offeror Information may be adjusted at the discretion of the evaluation committee. If scheduled, oral presentations will be limited to a 40-minute presentation by the offeror, followed by a maximum 20-minute question and answer period. All costs associated with the oral presentation shall be the responsibility of the offeror.

All contractors who submitted a proposal will be notified in writing of the results after the scoring and subsequent due diligence is completed.
