GENERAL REQUIREMENTS

The general rules and conditions which follow apply to all proposals issued by CIHA unless otherwise specified.

Request for Proposal (RFP) is defined as a request for an offer, by one party to another, of terms and conditions with reference to some work or undertaking.

This document constitutes a Request for Proposal and is thus a solicitation for responses.

Conversely, this Request for Proposal is NOT a bid. Moreover, any acceptance of a proposal shall NOT result in a binding contract between CIHA and the Offeror, but instead will simply enable negotiations to take place which may eventually result in a detailed and refined agreement or contract between the Offeror and CIHA.

Subletting of Contract: Offeror shall not assign, transfer, convey, sublet or otherwise dispose of

SIDING TERM SERVICE COOK INLET HOUSING AUTHORITY

the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of CIHA, but in no case shall such consent relieve the offeror from their obligations, or change the terms of the contract.

RFP CONDITIONS AND PROVISIONS

If any offeror is in doubt as to the intent or meaning of any part of this RFP, or should CIHA omit anything from this RFP which is necessary to a clear understanding of the work, or should it appear that various instructions are in conflict, the offeror should contact the CIHA Procurement representative listed on the cover page of this document by the deadline for questions.

Offerors are expected to fully inform themselves as to the conditions, requirements and specifications before submitting a proposal. The submission of a proposal by a Vendor implies Vendor acceptance of the terms and conditions herein, unless otherwise stated.

All participating Vendors, by their proposal submission, shall agree to comply with all of the conditions, requirements and instructions of this RFP as stated or implied herein.

Failure to provide required items will result in the proposal being considered non-responsive. Failure to provide sufficient information for the evaluation criteria will result in loss of points.

The offeror is responsible for all costs related to the preparation of this Proposal.

EVALUATION PROCESS

CIHA will appoint an Evaluation Committee. The Evaluation Committee will review proposals submitted in response to this RFP. The committee may, at its discretion, decide to interview the offerors.

An Evaluation Committee will independently evaluate the merit of proposals received in accordance with the evaluation factors defined in the RFP. Failure of the Offeror to provide any information requested in the RFP may result in disqualification of the proposal and shall be the responsibility of the Offeror. The evaluation process shall be based on a 100-point scale. The proposal that accrues the highest point total shall be recommended for award subject to the best interests of CIHA. Categories have been identified for the evaluation process. Each category shall receive a point value within the specified range based on how well the proposal meets or exceeds CIHA's requirements. The following table lists the maximum points associated with each category.

Each proposal submitted stands alone and will be evaluated on its own merits in terms of meeting CIHA's requirements and terms and conditions, pricing, and overall responsiveness to the RFP.

Contractor submission of a proposal implies Contractor acceptance of the evaluation technique and Contractor recognition that some subjective judgments shall be made by CIHA during assignment of points.

CIHA reserves the right to request a presentation from any contractor who submitted a proposal prior to selection. At the sole discretion of CIHA, finalists for consideration of award may be required to provide a software demonstration and oral presentation to the evaluation committee. The oral presentation may be considered in the evaluation of the offeror's proposal, and overall scores under Offeror Information may be adjusted at the discretion of the evaluation committee. If scheduled, oral presentations will be limited to a 40-minute presentation by the offeror, followed by a maximum 20-minute question and answer period. All costs associated with the oral presentation shall be the responsibility of the offeror.

All contractors who submitted a proposal will be notified in writing of the results after the scoring and subsequent due diligence is completed.

Any award as a result of this proposal shall be contingent upon the execution of an appropriate contract. This RFP and its attachments shall form the basis of the Contract Terms and Conditions. **Exceptions or deviations to this proposal must not be added to the proposal pages but must be on Contractor's letterhead and accompany the proposal.** Any exceptions to the Terms and Conditions will be taken into consideration when evaluating proposals submitted.
