The cost portion of your proposal submitted should include the initial two (2) year term and the extension option years.

- Clear stairways, steps, fire exits, walkways, main sidewalks, ramps, and the areas between cars parked in ADA parking spaces at least once before 8:00 a.m. during weekdays, weekends, and CIHA holiday closures when service triggers are met.

- If the Contractor fails to clear stairways, steps, fire exits, walkways, or any other areas required under the Contract, CIHA reserves the right to utilize its own staff or engage another contractor to complete the work. **PREFERENCE STATEMENT**

The work to be performed under this contract is subject to Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). In accordance with 25 U.S.C. 450e(b) and 24 CFR 1000.52, CIHA requires that to the greatest extent feasible; (i) preferences and opportunities for training and employment shall be given to American Indians/Alaska Natives (AIAN); and (ii) preferences in the award of contracts and subcontracts shall be given to AIAN owned economic enterprises.

The Contractor shall include this Indian Preference Statement, in its entirety, in every subcontract in connection with the awarded contract, and shall, at the direction of CIHA, take appropriate action pursuant to the subcontract upon a finding by the recipient or HUD that the subcontractor has violated 25 U.S.C. 450e(b).5307.

Preference will be given to AIAN, Small-, Minority- and Women-owned businesses. AIAN, Small-Minority- and Women-owned businesses are encouraged to submit proposals.

**WAGE DETERMINATION**

The wage rates paid to your employees, and used to prepare your bid, must be based on CIHA Tribally Designated Wage rate (TDW) included with this Contract (Attachment D). Submittal of certified payroll reports will not be required for this Contract; however, payrolls records should be maintained for three (3) years and are subject to prevailing wage compliance review by CIHA. The TDW must be posted at all times at the site of the work, in a prominent and accessible location, where it can easily be seen by all workers. Wage rates are subjected to change; awarded Contractor will accept updated wage rates when they become available.

**PREFERENCE FACTOR**

AIAN, Small-, Minority- and Women-owned preference in contracting is applicable to this Request for Proposal (RFP) and any contractor/firm/vendor stating a preference must submit a signed HUD 5369-A Certification Form (Attachment A) with their submitted bid to qualify for a preference; ownership must be a minimum of fifty-one percent (51%) and be active in the day- to-day control and operation of the business. CIHA shall reserve fifteen percent (15%) of the total of available rating points for qualified AIAN-owned organizations or economic enterprises and ten percent (10%) for Small-, Minority- and Women-owned businesses.

The prospective Contractor must provide, to the greatest extent feasible, preference in employment and training opportunities created as a result of a contract awarded as a result of the RFP.

**INDEMNITY AND INSURANCE REQUIREMENTS**

**Indemnification**

- A. To the fullest extent permitted by law, Contractor shall release, defend, indemnify and hold CIHA, its subsidiaries, directors, officers, agents, officials, employees and consultants (collectively, "Indemnified Parties") harmless from and against all claims or loss, including without limitation any and all demands, suits, expenses, damages, fines, charges, liens, actions or liability of any nature, kind or character whatsoever, and including without limitation, claims or loss resulting from injury, death, economic loss, violation of statutes, ordinances, constitutions or other laws, rules or regulations, contractual claims, attorneys' fees, costs or expenses or any other kind of loss (collectively, "claims or loss"), related to, resulting from or arising directly or indirectly out of the activities of Contractor, the performance, failure of performance or breach of any term of this Contract by Contractor, or by any person or entity employed by Contractor in the performance of this Contract, regardless of whether such claim or loss is caused in part by Indemnified Parties.
- B. Contractor's responsibility for defense and indemnification extends to and includes any claim or loss alleging acts or omissions by Indemnified Parties that are said to have contributed to the claim or loss. However, Contractor shall not be required to indemnify an Indemnified Party for any claim or loss that results from the sole negligence or willful misconduct of the Indemnified Party.
- C. In any and all claims against the Indemnified Parties by any employee of Contractor, anyone directly employed by Contractor or anyone for whose acts the Contractor may be liable, the indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Contractor under workers' compensation acts, disability benefit acts or other employee benefit acts.
- D. Contractor agrees that as part of any subcontract, its subcontractor shall provide assurance of defense and indemnity in CIHA's favor that are identical in scope as those assumed by Contractor under the terms of this Contract.
- E. The requirement of any insurance required of Contractor under this Contract shall not limit Contractor's indemnification responsibilities under this section in any way.

**Insurance**

- A. Without limiting the Contractor's indemnification responsibilities, it is agreed that Contractor shall purchase, at its own expense, and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Such policies shall be primary to any policies held by CIHA.
- B. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the Contractor's policy contains higher limits, CIHA shall be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the Manager of Procurement prior to fully executing the Contract, and as a condition of payment, Contractor shall purchase and maintain insurance that will protect it from the claims arising out of its operations under the Contract, whether the operations are by Contractor, or any of its consultants or subcontractors or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable. This includes Worker's Compensation Insurance, Employer's Liability Insurance, Comprehensive General Liability Insurance and Automobile Liability Insurance.

**SNOW REMOVAL SERVICES CENTENNIAL CAMPUS  
COOK INLET HOUSING AUTHORITY**

- C. Contractor's insurance shall name CIHA as additional insured, except for Worker's Compensation. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under Alaska Statutes Title 21.
- D. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this Contract and shall be grounds for termination of the Contractor's services. All insurance companies obligated under the following described policies must have a best rating of "A - VII" or better as identified in the A.M. Best Insurance Rating Guide, most recent edition.

**Minimum Limits of Liability**

Contractor shall maintain with a company satisfactory to CIHA at least the limits of liability set forth below. The requirements of this section shall not limit Contractor's indemnification responsibilities as provided in the Contract.

- A. Worker's Compensation and Employers' Liability: The Contractor shall provide and maintain, for all employees engaged in work under this Contract, coverage as required by AS 23.30.045; and, where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. **Cancellation, Renewal and Modification**

Contractor shall maintain in effect all insurance coverages required under the Contract at Contractor's sole expense and with insurance companies acceptable to CIHA. All policies shall contain a provision that coverage will not be modified, cancelled or not renewed until at least thirty (30) days prior written notice has been given to CIHA. Certificates of Insurance showing required coverage to be in force pursuant to this Section shall be filed with CIHA prior to commencement of the Work. In the event Contractor fails to obtain or maintain insurance coverage required under the Contract, CIHA may purchase such coverage as desired for CIHA's benefit and charge the expense to Contractor or terminate the Contract for default.

**SNOW REMOVAL SERVICES CENTENNIAL CAMPUS  
COOK INLET HOUSING AUTHORITY**

**Continuation of Coverage**

If any of the required liability insurance is on a claims made basis, “tail” coverage will be required at the completion of this contract for twelve (12) months, or the maximum time period reasonably available in the marketplace. Contractor shall furnish certification of “tail” coverage as described or continuous “claims made” liability coverage for twelve (12) months following Contract completion. Continuous “claims made” coverage will be acceptable in lieu of “tail” coverage provided its retroactive date is on or before the effective date of this Contract. If continuous “claims made” coverage is used, Contractor shall be required to keep the coverage in effect for not less than twelve (12) months from the end of the Contract. This will be a condition of the final acceptance of work or services.

**Certificates of Insurance**

Certificates of insurance and copies of all insurance policies and endorsements if requested by CIHA required by this Section 10 shall be delivered to the Procurement Manager prior to commencement of the Work, or as soon thereafter, as is practicable. Renewable certificates shall be delivered to the Procurement Manager no later than thirty (30) days subsequent to the certificate’s expiration date. No contract will be signed until the certificate of insurance has been received and approved by the Procurement Manager.

If the insurance expires or is cancelled during the term of the contract, services and related payments will be suspended. Certificates shall be addressed to Cook Inlet Housing Authority, ATTN: Procurement, 3510 Spenard Road, Anchorage, Alaska 99503.

**Additional Insured**

Cook Inlet Housing Authority, ATTN: Procurement, 3510 Spenard Road, Anchorage, Alaska 99503

**GENERAL REQUIREMENTS**

The general rules and conditions which follow apply to all proposals issued by CIHA unless otherwise specified.

Request for Proposal (RFP) is defined as a request for an offer, by one party to another, of terms and conditions with reference to some work or undertaking.

This document constitutes a Request for Proposal and is thus a solicitation for responses.

Conversely, this Request for Proposal is NOT a bid. Moreover, any acceptance of a proposal shall NOT result in a binding contract between CIHA and the Offeror, but instead will simply enable negotiations to take place which may eventually result in a detailed and refined agreement or contract between the Offeror and CIHA.

Subletting of Contract: Offeror shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of CIHA, but in no case shall such consent relieve the offeror from their obligations, or change the terms of the contract.

**RFP CONDITIONS AND PROVISIONS**

If any offeror is in doubt as to the intent or meaning of any part of this RFP, or should CIHA omit

## **SNOW REMOVAL SERVICES CENTENNIAL CAMPUS COOK INLET HOUSING AUTHORITY**

anything from this RFP which is necessary to a clear understanding of the work, or should it appear that various instructions are in conflict, the offeror should contact the CIHA Procurement representative listed on the cover page of this document by the deadline for questions.

Offerors are expected to fully inform themselves as to the conditions, requirements and specifications before submitting a proposal. The submission of a proposal by a Vendor implies Vendor acceptance of the terms and conditions herein, unless otherwise stated.

The format of the Vendor's proposal must be consistent with the format of the specifications listed.

All participating Vendors, by their proposal submission, shall agree to comply with all of the conditions, requirements and instructions of this RFP as stated or implied herein.

Offerors shall respond with sufficient detail to facilitate the evaluation of all factors included in the Evaluation Criteria. Failure to provide required items will result in the proposal being considered non-responsive. Failure to provide sufficient information for the evaluation criteria will result in loss of points.

The offeror is responsible for all costs related to the preparation of this Proposal.

### **PROPOSAL SUBMITTAL REQUIREMENTS**

Proposals should include the appropriate narrative and supporting materials to adequately address the scoring criteria. Proposals not containing all of the items listed below may be determined non-responsive by CIHA. For consistency and to facilitate evaluation of all proposals, offerors shall include the following in their response to this RFP.

1. **Cover Page.** Proposals must be signed and include the firm name, local address, telephone number, the name of the person authorized to submit the proposal, along with the person's title and telephone number, and the name and title of the person authorized to execute a contract.
2. **Statement of Qualifications and Experience.** Provide a statement as to the Offeror's qualifications to perform the Snow Removal Services described in the Scope of Services
3. **References** (Limit One Page). Provide three (3) references from current clients of a similar size and nature to CIHA who receive similar services. Include the company name, contact name, phone number, and a description of the services provided.
4. **Proposal Price Form.**
5. **Addendum Acknowledgement** (if applicable).
6. **Federal Forms.**
  - a. Completed Representations and Certifications of Bidders, form HUD-5369-A (Attachment A)
  - b. Completed Lobbying Certification and Disclosure (Attachment B)

### **EVALUATION PROCESS**

CIHA will appoint an Evaluation Committee. The Evaluation Committee will review proposals submitted in response to this RFP. The committee may, at its discretion, decide to interview the offerors.

An Evaluation Committee will independently evaluate the merit of proposals received in accordance with the evaluation factors defined in the RFP. Failure of the Offeror to provide any

**SNOW REMOVAL SERVICES CENTENNIAL CAMPUS  
COOK INLET HOUSING AUTHORITY**

information requested in the RFP may result in disqualification of the proposal and shall be the responsibility of the Offeror. The evaluation process shall be based on a 100-point scale. The proposal that accrues the highest point total shall be recommended for award subject to the best interests of CIHA. Categories have been identified for the evaluation process. Each category shall receive a point value within the specified range based on how well the proposal meets or exceeds CIHA's requirements. The following table lists the maximum points associated with each category.

Each proposal submitted stands alone and will be evaluated on its own merits in terms of meeting CIHA's requirements and terms and conditions, pricing, and overall responsiveness to the RFP.

Contractor submission of a proposal implies Contractor acceptance of the evaluation technique and Contractor recognition that some subjective judgments shall be made by CIHA during assignment of points.

CIHA reserves the right to request a presentation from any Contractor who submitted a proposal prior to selection. At the sole discretion of CIHA, finalists for consideration of award may be required to provide a software demonstration and oral presentation to the evaluation committee. The oral presentation may be considered in the evaluation of the offeror's proposal, and overall scores under Offeror Information may be adjusted at the discretion of the evaluation committee. If scheduled, oral presentations will be limited to a 40-minute presentation by the offeror, followed by a maximum 20-minute question and answer period. All costs associated with the oral presentation shall be the responsibility of the offeror.

All Contractors who submitted a proposal will be notified in writing of the results after the scoring and subsequent due diligence is completed.

Any award as a result of this proposal shall be contingent upon the execution of an appropriate contract. This RFP and its attachments shall form the basis of the Contract Terms and Conditions. **Exceptions or deviations to this proposal must not be added to the proposal pages but must be on Contractor's letterhead and accompany the proposal.** Any exceptions to the Terms and Conditions will be taken into consideration when evaluating proposals submitted. CIHA reserves the right to reject any or all of your proposed modifications.

Rejection of Proposals: CIHA reserves the right to accept or reject any or all proposals and to waive irregularities and technicalities. CIHA reserves the right to award more than one Contractor.

CIHA may conduct discussions with any Offeror who has submitted a proposal to determine qualifications for further consideration. Since the initial review by CIHA will be deemed preliminary in nature, the document and process will be deemed confidential until the successful Offeror is selected. CIHA is not required to accept the proposal with the lowest cost estimate.
